

ADDIS ABABA, ETHIOPIA

Part I

Whereas on 21 December 2017, the Parties signed the Agreement on the Cessation of Hostilities, Protection of Civilians and Humanitarian Access ("the CoH Agreement") as part of the efforts to revitalise the implementation of the Agreement on the Resolution of the conflict in the Republic of South Sudan (ARCSS) and in particular to return to a Permanent Ceasefire between the warring parties;

Recalling that the ARCSSS provided for the establishment of a Ceasefire and Transitional Security Arrangements Monitoring Mechanism (CTSAMM) to monitor the processes of the Permanent Ceasefire, and that the Mechanism has already been operationalized;

Considering the need for effective monitoring of the CoH Agreement, by a mechanism in which all the signatories of the Agreement can participate and through which they can be held accountable;

Recognising that the CTSAMM can play a critical role in monitoring the CoH Agreement, and in promoting the full implementation of that Agreement, and fostering confidence in the Parties;

The Parties Agree as follows:

Article 1

Incorporation of Provisions of ARCSS

1.1. The provisions of Chapter 2 on Permanent Ceasefire and Transitional Security Arrangements, of the ARCSS, which are set out in Part II below are hereby incorporated into the CoH Agreement, and shall become operational in line with the provisions of this Addendum.

1.2. The provisions are: Article 4.1, 4.2, and 4.3. of Chapter 2, ARCSS.
