AWARE of the deep yearning of the South Sudanese people for the return of stability to their country, and for the chance to live in peace and dignity in an inclusive, democratic and just society, where all human beings can flourish, and girls and women are treated with dignity and respect;

ACKNOWLEDGING that since the signing of the ARCSS, new realities on the ground such as the renewed and changing dynamics of the conflict, and the emergence of other armed and political groups, give particular urgency to the revitalization process;

RECOGNIZING that a credible revitalization process requires a peaceful and an enabling environment which would create the conditions conducive for the provision of humanitarian assistance, and for holding free deliberations;

FURTHER RECOGNIZING that a cessation of hostilities is an important foundation for the restoration of the Permanent Ceasefire;

COMMENDING the significant role and efforts of IGAD, the African Union (AU) and all partners to bring sustainable peace and stability to South Sudan;

ALSO COMMENDING the role played by the United Nations Mission in South Sudan (UNMISS) in protecting civilians in South Sudan;

ACKNOWLEDGING the vital efforts of the Joint Monitoring and Evaluation Commission (JMEC) and the Ceasefire and Transitional Security Arrangements Monitoring Mechanism (CTSAMM) to bring sustainable peace to South Sudan;

DEPLORING the continued violations of ceasefire agreements and declarations in South Sudan, and HAVING IN MIND the lack of genuine will and robust mechanisms to ensure enforcement and compliance with those commitments;

REAFFIRMING the importance of the Parties to this Agreement, to fully respect and observe fundamental human rights, international humanitarian law and humanitarian principles at all times and without any reservations;
